About Us...

ArtsJunktion mb is a non-profit organization committed to distributing recyclable materials to all. ArtsJunktion mb offers FREE membership and FREE materials to any community member. In order to fund what we do (from paying the phone bill to paying artists for workshops) we rely on the proceeds of two fundraisers each year: the Nov 10 Social at The King's Head Pub and the June AGM and Art Auction at the warehouse. In addition, we apply for grants and ask for donations from local business and individuals. Last year, ArtsJunktion mb raised \$6000 in fundraising and collected an additional \$5500 in donations from individuals. It is critical to the ongoing operation of ArtsJunktion that community members consider how they can contribute financially, whether it be through attending our fundraising events or making monetary donations. We are grateful for all the support we receive.

What's New At The Depot

When you walk in the door of ArtsJunktion you will immediately notice the great new wooden shelving displaying our ever changing supply of treasures. These large, deep shelves were passed on to us by The Manitoba Children's Museum, who are presently undergoing a major renovation.

On Saturday, October 16, we held a work bee to put everything back on the shelves and tidy up the depot.

A huge thank you to Gerhard Wiebe, Andrea Stuart, and Heather Stuart for putting the shelves together and thank you to all of the volunteers who helped to reorganize all of the "stuff" once the shelves were installed.

We are now in the process of realizing our dream of having an on-site wash-room.

The beginnings of the washroom and storage room. Let us know if you can help us in any way with this project.

Thank you to The Manitoba Children's Museum for the shelving and other treasures!

Welcome to Sasha Amaya, our new depot manager. Drop by the depot on Mondays or Thursdays and you will meet Sasha. She will be there to greet you and help you find interesting items for your classroom or project. If you come to volunteer, she will help direct you to jobs that need to be done. She is also working on sourcing interesting materials for the depot. If you have any ideas or contacts for raw materials, pass them on to Sasha. We are thrilled to have Sasha as part of the ArtsJunktion team.

CREATING SILK PAINTINGS`

ANN RALLISON

Working with brightly coloured dyes on silk can produce amazing results for students of all ages. In this workshop participants will have the opportunity to learn about the process and to create their own silk painting.
